

Our Programs

KAOS FC Program

Kaos is the competitive boys' program within North State Soccer, focused on developing high-level players in a positive, challenging, and team-centered environment. Kaos teams compete across Northern California and are coached by experienced, licensed coaches who emphasize technical development, tactical awareness, and a strong team culture.

MISSFITS FC Program

Missfits is North State Soccer's competitive girls' program, designed to build confident, technically skilled players in a supportive and challenging environment. With experienced licensed coaches and a focus on growth, Missfits teams compete across Northern California while fostering teamwork, leadership, and a love for the game.

CDA Program

CDA is North State Soccer's entry-level competitive program for players 10 & under. It offers year-round training with licensed coaches focused on technical development, game understanding, and preparing players for the next level — all with limited travel and an affordable cost. CDA is the perfect bridge between recreational and competitive soccer.
